Video

- Edit the Wedding**\$195
This is where the magic happens. Using the best practices, we'll cut all the footage from the wedding day together with accompanying music and elegant transitions to give you a chance to re-watch and experience your Wedding day all over again.
- Highlight Video**\$250
A 5-8 minute video, edited to retell the story of the special unifications of Bride and Groom; with elegant transitions and beautiful cuts that show just the most special or most important memories from your Wedding day.
- Include Audio from the Main Meeting in Highlights**\$125
*We'll scrub through meeting audio of Parents of Bride and Groom, Bride and Groom, and any other "Ladies in the Family" by request. We will graft them into the highlight video to create a more personal experience. *We can include Grandparent's comments by request.*
- Include Interviews in Highlights.**\$125
We'll scrub through any interviews or line members and take the most important things said and include them into the highlight video to create an even more impactful video.
- Custom USB box** \$75
A USB carrying/display case with a custom design on it.
- Unedited RAW video clips**\$200
Receive all digital video files captured of the Wedding day.
- Expedited Delivery**\$425
Rush the delivery time of our Wedding services. (2 weeks)
