Family Portraits & Editing\$0

There are few times in life where everyone is gathered dressed ready for photos. Take the opportunity to grab a photo or two of your loved ones. Provide us with a list of each picture and the names of everyone you want in the image before hand to allow us to gather everyone from your celebration. Saying "we want a picture of everyone in our family" is not valid.

Add a Second Photographer\$150

This is to allow your photographer to be in more than one place at a time. A second photographer will come to your event for the 2 hours of your choice to capture multiple angles and provide you with more photos to treasure.
